The terms and conditions on page 7 explain the way in which this account operates.

Significant benefits and risks

The benefits include:

Account

- You will earn interest on the money deposited into your account. For more information about interest, see clause 5 of the terms and conditions below.
- You can deposit money into your account.

For more information about depositing and withdrawing money, see clause 4 of the terms and conditions below.

Payment Facilities

- Payments can be made outside of business hours.
- The use of payment facilities may (but will not always) reduce the risks associated with the theft or loss of cash. The use of certain payment facilities (such as Bendigo e-banking, Bendigo Phone Banking, BPAY® and Pay Anyone Service) is subject to dispute resolution procedures, which provide for allocating loss for unauthorised transactions. For more information, see the terms and conditions for each of these payment facilities.
- Depending on the way in which they are used, these payment facilities may provide a more efficient way for you to make payments when compared to cash.
- Second-level authentication is available for Bendigo e-banking customers to assist in protecting personal information by providing a one-time code for use during logon and payments. Further details regarding security tokens can be found in Section A below.
- The BPAY View® service is a feature of the BPAY® system that allows you to receive bills and statements online. Bills and statements are delivered by email and you will receive a message when you log on to Bendigo e-banking. BPAY View® is the ability for a customer to view bills online.

The significant benefits that can occur with having access to the BPAY View® include:

- it allows payers to view bills from Billers electronically;
- it is convenient – your bills will be listed alongside your bank account information;
- you can control when you view and pay bills, day or night.

The risks include:

Account

- The interest rate that applies to your account, and therefore the amount of interest you earn, may change. If the interest rate reduces, the interest you earn will decrease. We may change interest rates for any reason and at any time. Our reasons may include changes to the official cash rate or other market rates, changes in market conditions, changes to features of the product or risks associated with the product and changes to our business.
- If you make a withdrawal from your account between 1 February and 31 October of each year you will be charged an early withdrawal fee. For more information see clause 4.3 of the terms and conditions below.
- As with many investment products, you are also reliant on the issuer's ability, in this case, our ability, to meet obligations including payment of your account balance to you. To reduce the risk of this not occurring, financial institutions are prudentially regulated by the Australian Prudential Regulation Authority ("APRA") and must comply with its prudential and reporting requirements, including a standard that aims to ensure that financial institutions have sufficient liquidity to meet their obligations to their customers.

Payment Facilities

Risks associated with these payment facilities may arise depending on the way in which you use them. These risks can include:

- Unauthorised use of a payment facility by a third party including in circumstances where your means to access a payment facility (such as a passbook, PIN or access number) is lost or stolen. You may be able to reduce this risk by taking appropriate steps to protect the security of your means to access the payment facility. For more information, see the terms and conditions below;
- Technical errors affecting the procedure or system used for processing payments which may, among other things, prevent the timely and accurate completion of payments.
- There may be risks of a criminal deceiving you or infecting your computer with a virus for the purpose of gathering your access information. To protect yourself from these risks you should install and activate firewall and anti-virus software and purchase a security token. Your operating system and browser also need to be kept up to date.

Costs

The current costs of the account and payment facilities to which the PDS applies are set out in the Schedule of Fees, Charges and Transaction Account Rebates. These costs may change (see clause 6). You can find out the current costs at any time by contacting one of our branches, phoning **1300 BENDIGO** (1300 236 344) or by visiting our website at www.bendigobank.com.au

4.3 You may make withdrawals from your account at any time. However, if you make a withdrawal from your account between 1 February and 31 October (inclusive) of each year you will incur an early withdrawal fee. Withdrawals during the period 1 November to 31 January will not incur an early withdrawal fee. The current amount of the early withdrawal fee is set out in the Schedule of Fees, Charges and Transaction Account Rebates.

4.4 The proceeds of a deposit may not be available for up to 3 business days after the deposit is made. It will usually take 3 business days for a cheque to clear. If we allow you to draw on a cheque before it has cleared, you will be liable for the amount of the cheque if it is subsequently dishonoured and you authorise us to debit the amount of the cheque plus applicable bank charges to your account. International deposits may be subject to extended clearance times.

4.5 We may not accept any cheque that is not payable to you whether the cheque has been endorsed in your favour or not.

4.6 You may request a special clearance on a cheque. When you request a special clearance on a cheque we will request the other bank to respond within 24 hours if the cheque is drawn on a branch in the same state as the place of deposit. If the cheque is an interstate cheque we will request the other bank to respond within 48 hours. We cannot assure you that the other bank will respond within these timeframes. However you must pay us a fee for this service. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

4.7 We can at our discretion impose a limit on the amount you can withdraw in cash from your account at a branch.

4.8 We may not allow a withdrawal unless we have proof of your identity that is satisfactory to us.

4.9 You authorise us to debit your account with all withdrawals you or an authorised signatory make from that account (unless the authorised signatory is an authorised user who can only access, but not operate, your account).

5. Interest

5.1 We pay interest on your account.

Interest rates

5.2 We will apply one interest rate to the entire balance of your account. We may change the

interest rate from time to time at our discretion.

This means that the interest rate may increase or decrease. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law.

- 5.3 Our current interest rate for the Bendigo Christmas Club Account is set out in the Schedule of Interest Rates for the Bendigo Christmas Club Account.
- You can find out our current interest rate at any time by contacting one of our branches, phoning **1300 BENDIGO** (1300 236 344) or by visiting our website www.bendigobank.com.au

Calculation and crediting of interest

- 5.4 We calculate interest by applying the daily percentage rate to the balance of your account at the end of each day. The daily percentage rate is the relevant interest rate divided by 365, or in a leap year, 366.
- 5.5 Interest will be credited to your account annually on 1 November.

6. Fees and charges

- 6.1 Fees and charges and Government charges apply to your account and your use of payment facilities. You authorise us to debit these fees and charges and Government charges to your account. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates. You can find out our current fees and charges at any time by contacting one of our branches, phoning **1300 BENDIGO** (1300 236 344) or by visiting our website www.bendigobank.com.au
- 6.2 We may change the fees and charges from time to time (including introducing new fees and charges) and Government charges may change at any time. There is no maximum limit for the amount of fees and charges we may impose. If the law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law.
- 6.3 We may at our sole discretion waive any or all fees and charges from time to time, substitute one fee or charge for an alternative fee or charge, or impose a lower fee or charge.

For example: If a direct debit dishonour fee is chargeable to your account due to insufficient funds, or your account is overdrawn, our branch manager may charge you the lower overdrawn account fee of \$27.50 instead of the direct debit dishonour fee of \$40.00.

7. Transaction processing

- 7.1 We may assign any date we consider appropriate to a debit or credit to your account (except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs). However, we will credit amounts to your account as soon as practicable after we receive them. This is not necessarily the same day that you deposit the amount. We give effect to the debit or credit based upon the date assigned to it by us.
- 7.2 We may subsequently adjust debits and credits to your account so as to accurately reflect the legal obligations of you and us (for example, because of an error or because a cheque is dishonoured). If we do this, we may make consequential changes (including to interest).

8. Bank cheques

- 8.1 We can issue you with a cheque drawn on us, instead of you writing a personal cheque from your account. This is known as a bank cheque and is usually used where a cheque facility is not attached to a customer's account or the payee has specifically requested a bank cheque as payment for goods or services. There is a fee for the issue of a bank cheque. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.
- 8.2 Although most people regard bank cheques as cleared funds, they are not equivalent to cash. A bank may dishonour a bank cheque including if:
- the signature of an officer of a bank is forged or placed on a bank cheque without the bank's authority;
 - the bank cheque has been fraudulently or materially altered;
 - a fraud or other crime has been committed;
 - the bank is told the bank cheque is lost or stolen;
 - there is a court order restraining the bank from paying a bank cheque; or
 - the bank has not received payment or value for the issue of the bank cheque.
- 8.3 If a bank cheque is lost, destroyed or stolen, we may provide a replacement bank cheque for a fee. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

9. Overdrawn accounts

- 9.1 You must keep a credit balance in your account at all times and must not overdraw your account, use a payment facility or request a payment service which could overdraw your account, unless we have agreed to provide you with an overdraft facility for your account.
- 9.2 If you do overdraw your account in breach of these terms and conditions:
- (a) we may debit the overdrawn amount to your account;
 - (b) we may restrict the way in which you access your account.
 - (c) your account will incur an Overdrawn Account Fee. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates;
 - (d) we will calculate interest on the overdrawn amount on a daily basis and you authorise us to debit it to your account at the same time that we would have credited interest to your account until the overdrawn amount is repaid;
 - (e) you must repay the overdrawn amount immediately; and
 - (f) we may cancel any payment facility linked to the account.
- 9.3 Where you do not have an overdraft facility with us, we may change the interest rates for overdrawn accounts from time to time at our discretion. If any law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our current interest rate for an overdrawn account is set out in the Schedule of Interest Rates for the Bendigo Christmas Club Account. You can find out our current interest rate at any time by contacting one of our branches, phoning **1300 BENDIGO** (1300 236 344) or by visiting our website www.bendigobank.com.au
- 9.4 We do not agree to provide you with credit merely because we debit an amount to your account that causes it to be overdrawn.

10. Account combination

We may at any time combine the balances of 2 or more of your accounts even if the accounts are at different branches or in joint names. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. In this situation the credit in one

account would be used to reduce the debit balance in the other account. We will promptly inform you if we combine your accounts. We need not notify you in advance.

11. Record of account and confirmation of transactions

About your passbook

- 11.1 If you have a passbook, your passbook is a record of transactions on your account. Each time you present your passbook for updating we will record particulars of each transaction on your account including the amount of the transaction and the current balance of your account. You should present your passbook each time you make a deposit or withdrawal at one of our branches. We will send you an annual statement of account if you have transacted on the account within the 12 month period even if you have a passbook.
- 11.2 By opening a passbook account with us, you agree that:
- (a) You can present your passbook for updating at any of our branches;
 - (b) It is your responsibility to have your passbook updated at regular intervals; and
 - (c) The ability to have your passbook updated at one of our branches is the facility through which confirmation of transactions on your account are provided to you.

We will not charge any fee associated with your passbook or the entry of particulars into your passbook.

Security of your passbook

- 11.3 Your passbook should be safeguarded from theft or unauthorised use. Under no circumstances should you keep a visible record of your signature with your passbook. This includes signed withdrawal forms or cards.
- 11.4 You must notify us as soon as possible of the loss, theft, or misuse of your passbook by contacting us at one of our branches or by phoning **1300 BENDIGO** (1300 236 344). If you fail to notify us as soon as possible, subject to section E: EFT Transactions, you may be held liable for any unauthorised transactions occurring on your account before you notify us and you authorise us to debit any such amounts for which you are liable to your account.

Statement of account

11.5 If you have a statement option, we will issue you with a statement of account:

- (a) at least once every 6 months if your account is being transacted upon;
- (b) at least once every 12 months if your account is not being transacted upon.

If you would like to receive a statement of account more frequently, please contact one of our branches. A fee may apply to this service. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

11.6 You must check your statement of account and immediately notify us if you notice an error or possible unauthorised transaction on that statement. You should keep your statements safe for future reference.

Confirmation of transactions

11.7 You agree that confirmation of transactions involving your account or any payment facility may be provided by:

- (a) your passbook;
- (b) statement of account;
- (c) Bendigo Phone Banking and Bendigo e-banking, if you have access to either of those services;
- (d) you requesting confirmation at any of our branches.

12. Receipts and vouchers

12.1 When you use Bendigo Bank equipment to access your account we will provide you with a record of your transaction, unless you specify that a record is not required. You must check your record of the transaction and keep it to reconcile to your passbook or statement.

12.2 We strongly advise you to keep all of these documents in a safe place, as you may need them to do things such as complete tax returns, confirm payments have been made for goods and services and check how much money you have in your account at any one time.

12.3 If you misplace any of your account records or need us to provide you with information about any of your transactions, such as interest payments

for tax purposes, we can help by conducting a search of our records. A fee may apply for this service to cover our costs. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

13. Joint accounts

13.1 This paragraph applies if an account is in two or more names jointly.

Understanding your obligations

13.2 You may choose to operate accounts jointly with other persons.

13.3 If you do, your liability under these terms and conditions is both joint and several. This means that each of you is liable both on your own and together for the whole of any debit balance on the account. You should carefully consider any arrangement which involves you becoming a joint account holder.

13.4 It is up to you and the other joint account holder(s) to specify how many of you must sign in order to operate a joint account. Account operating instructions are part of your contract with us and may only be altered by written notification to us, signed by each party to the joint account.

13.5 Despite any instructions you may give us to the contrary, we may insist that the joint account only be operated on the signatures of all joint account holders if:

- (a) one of the joint account holders requests us in writing to do so; or
- (b) we are notified of any dispute between the joint account holders; or
- (c) we are notified of the death or bankruptcy of any of the joint account holders.

13.6 You agree that each of you act as an agent for the other and that we can send a copy of a notice to all or any one of you.

13.7 You agree that each joint account holder may have access to information about the account without the consent of the other joint account holders.

13.8 In the event of your death, the account will be treated as the account of the surviving account holder only.

14. Authorised signatories

14.1 You may ask us, in writing, to authorise one or more other people to operate your account. A person who is authorised to operate your account is called an authorised signatory. Where there is more than one authorised signatory, you must specify how many of the authorised signatories must sign in order to operate your account.

Your instructions in relation to how many authorised signatories must sign in order to operate your account are called operating instructions. We do not have to agree to your request but if we agree, we may impose conditions. If we do not agree to your request, we will notify you.

14.2 You can arrange to have the authority of an authorised signatory revoked or your operating instructions changed at any time. If you want to revoke the authority of an authorised signatory or change your operating instructions, you must notify us in writing. If you are a company, body corporate, club or association, we may require the revocation of authorisation or change of operating instructions to be under common seal or authenticated by minutes of a resolution of your directors or governing body.

14.3 We are entitled to act on all instructions given by your authorised signatories in accordance with your operating instructions (including appointing a new authorised signatory or revoking the authority of an authorised signatory) unless the authorised signatory is an authorised user who can only access, but not operate, your account in which case we will only act on the instructions of that person in so far as they relate to accessing your account. We are not required to make any inquiries in relation to any instructions received by an authorised signatory in relation to the operation of your account. Subject to Section F BPAY® and Section H Pay Anyone Service you are wholly liable for any loss or damage you or a third party suffers as a result of us acting upon those instructions.

14.4 These terms and conditions apply to the authorised signatory in the same way that they apply to you. You should ensure that any authorised signatory has read these terms and conditions and complies with them as if they were you. If the authorised signatory does not comply with these terms and conditions, you will be in default.

14.5 You consent to us giving an authorised signatory information about your account.

14.6 You may ask us, in writing, to limit the dollar amount available to some authorised signatories to restrict their liability.

15. Cancelling a payment facility

15.1 We may at our absolute discretion cancel a payment facility at any time without notice to you. Without limiting the circumstances in which we may cancel a payment facility, we may cancel a payment facility if:

- (a) we have received notice of your mental incapacity, bankruptcy or death;
- (b) we believe your access number, PIN, security token or any other access method is being used, or will be used, in a way that will cause loss to you or us;
- (c) we reasonably believe you induced us to issue the payment facility by fraud;
- (d) you or an authorised signatory breach any of these terms and conditions;
- (e) we close your account; or
- (f) in the case of Bendigo Phone Banking or Bendigo e-banking, the security or quality of the service is threatened.

15.2 If we cancel a payment facility we will notify you as soon as possible afterwards.

15.3 You may alter, stop or cancel a payment facility at any time by giving us notice in writing or by coming into one of our branches and talking to a staff member.

15.4 If your access to Bendigo Phone Banking or Bendigo e-banking is cancelled, we may refuse any transaction you initiate through these facilities without giving any reason or advance notice to you.

16. Stopping or closing your account

16.1 You may request us to close your account only if it is in credit. You may close the account by:

- (a) visiting one of our branches and telling us you wish to close the account; or
- (b) sending a written request to us.

16.2 We may close your account at any time, due to unsatisfactory conduct or for any other reason, (eg. if we reasonably consider it necessary to prevent fraud or other losses to you or us) by giving you notice that is reasonable in all the relevant circumstances and reimbursing you for any amount

outstanding to the credit of your account. If you or an authorised signatory breach any of these terms and conditions, we may close the account without giving you prior notice.

- 16.3 We will give you notice as soon as possible after closing the account (unless we have previously given you notice) and will reimburse you for the amount standing to the credit of your account.
- 16.4 If your account is closed:
- (a) we may disable your access to other payment facilities linked to the account;
 - (b) you will be liable for any transactions that were not processed, or that occur, on the account at the time the account is closed;
 - (c) you must pay to us on demand all unpaid fees and charges prior to closure of the account;
 - (d) you must arrange deregistration of your access ID's; and
 - (e) you must return your security token.
- 16.5 You should make arrangements for any direct credit payments, interest payments or periodical payments that are paid into or out of your account to be re-directed before the account is closed.
- 16.6 We reserve the right to withdraw this account from offer without notice.
- 16.7 We may place a stop on your account if:
- (a) you are in breach of any of the terms and conditions;
 - (b) you have not provided us with information that we have asked you to provide;
 - (c) we receive notice of your mental incapacity, bankruptcy or death;
 - (d) we became aware of any dispute which in our reasonable opinion has a bearing on the account.

If we place a stop on your account, you or anyone else will not be able to make any withdrawal transactions on the account. Credit transactions will still be allowed unless you specifically request credit transactions be stopped also. We are not liable for any loss or damage arising from placing a stop on your account.

- 16.8 If we receive notice of a dispute from a third party who has a beneficial interest in the funds held in the account, we may at our discretion freeze the account until the dispute has been resolved.

17. Dormant accounts

- 17.1 If you do not operate your account for 7 years and there is \$500 or more in your account, we are required by law to send the balance of your account to the Commonwealth Government as unclaimed money.
- 17.2 If you do not operate your account for 3 years, we may charge an annual Dormant Account Fee in order to meet the costs of maintaining account records. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates. If there is not enough money in your account to cover the fee, your account will be automatically closed.
- 17.3 We will send you a letter prior to the deduction of any Dormant Account Fee, advising you that your account is dormant and that you have the following options:
- (a) you can make a transaction to re-activate the account;
 - (b) you can close the account; or
 - (c) you can close the account and open another account more suitable to your needs.
- 17.4 If you are unable to attend one of our branches to take up any of the above options, please contact the branch at which the account is held advising of your situation. This may prevent the fee being charged.

18. Changes

- 18.1 We may change these terms and conditions at our absolute discretion at any time. If any law regulates that change, we will only make the change to the extent permitted by, and subject to, the requirements of that law.
- 18.2 You agree that we can give notice of changes to these terms and conditions, any material change to, or any significant event that affects any of the matters specified in the PDS in writing, (including changes to fees and charges) by an advertisement in a major daily newspaper or in any other way permitted by law.
- 18.3 The table on page 14 sets out how and when we will notify you of changes.

21.3 Within 21 days of receiving your complaint we will advise you in writing of either:

- (a) the outcome of our investigation and, if your complaint is in relation to an EFT transaction, which provisions of the EFT Code were used in determining your or our liability if any; or
- (b) the need for more time to complete our investigation.

Concerns or complaints about EFT transactions

21.4 If your complaint is in relation to an EFT transaction, we will advise you in writing of the procedures for investigating and handling the complaint.

- (a) if we are unable to resolve the complaint within 45 days, we will notify you of this fact, inform you of the reasons for the delay, provide you with monthly updates on the progress of your complaint and specify a date by which a decision can reasonably be expected (unless we are waiting for a response from you and we have told you that we require that response);
 - (i) the time limits under the rules of the scheme will apply instead of the time limits referred to

in clause 21.5 above;

We will advise you in writing of the above time limits and when you can reasonably expect a decision. Your obligation to pay any amount which is the subject of a complaint, and any credit or other charges related to that amount, will be suspended until the complaint is resolved;

- (c) when we have completed our investigation of your complaint, we will promptly advise you of the outcome of that investigation, the reasons for that outcome including references to relevant clauses of the EFT Code and, except where the complaint has been resolved completely in your favour, we will inform you of any further action you can take under the EFT Code. Our advice will be in writing unless we are able to resolve the matter immediately to the satisfaction of both you and us;

- (d) if on completion of our investigation we decide that your account has not been incorrectly debited or credited, or in the case of unauthorised transactions, that you have contributed to at least part of the loss occasioned by the unauthorised use, we will supply you with copies of any documents or other evidence relevant to the outcome of our investigation, including information about any logs or audit trails relating to the transaction and advise you whether there was any system or equipment malfunction at the time of the transaction. For example, if you do not protect your Internet access by using a firewall and anti-virus software and security tokens, it could contribute to the chance of unauthorised transactions.

- (e) if we conclude as a result of our investigation that your account has been incorrectly debited or credited we will promptly make adjustments to your account (including making adjustments to interest and charges) and notify you in writing of the amount by which your account has been debited or credited as a result;

- (f) alternatively, if we decide to resolve your complaint in your favour, we may adjust your account accordingly within 7 business days of receiving the complaint and provide the

information required by paragraphs (c) and (e) above and close the investigation. When we choose this course of action we are not required to comply with clauses 21.4 and 21.5 and paragraph (d) above; and

- (g) if we fail to observe the appropriate allocation of liability in accordance with paragraphs 5 and 6 of the EFT Code or fail to explain the reasons of any findings that you are liable by reference to relevant aspects of those paragraphs, or in any material respect we fail to observe the complaint investigation and resolution procedures set out in this clause or as required by the EFT Code, and where such failure has contributed to a decision by us against you or delayed the resolution of your complaint, we may accept full or partial liability for the amount of the transaction which is the subject of your complaint.

Our rights under these Terms and Conditions

27.7 We may choose at any time to waive any of our rights under these terms and conditions. - (a) any failure, malfunction, delay or error (for any reason) of any equipment, system or software which is not controlled or provided by or on behalf of us (including, without limitation, the telephone, computer, software and telecommunications and ISP services you use to access Bendigo Phone Banking or Bendigo e-banking);

Section D: Use and security of your access number, security token, password and PIN.

This section applies if you have an access number, security token, password or PIN.

37. Protecting your access number, security token, password and PIN.

37.1 The security of your access number, security token, password and PIN is very important. You may be liable for unauthorised transactions which you contribute to by not keeping your PIN and password secure. Your liability is governed by clause 40 of section E: EFT Transactions.

37.2 You must ensure that you:

- (a) keep your password, security token and PIN secure and protected;
- (b) do not tell anyone your PIN or password;
- (c) do not record your PIN anywhere, in electronic or written form, and, in particular, not on the "user guide" provided by us upon registration;
- (d) do not select a PIN that is easily identified with you (eg. Your date of birth, your name or part of it, or your phone number);
- (e) do not select a PIN that is a common or easily guessed combination (eg. Repeated or consecutive numbers such as 5555 or 1234);
- (f) do not provide your PIN or password to any person (including a family member or friend);
- (g) do not allow any unauthorised person to observe or hear your PIN or password.

37.3 You must also ensure that your authorised users do each of these things.

37.4 The following ways of recording a PIN are often deciphered by thieves and it is strongly recommended that these ways are not used for recording PIN's:

- (a) recording the PIN as a series of numbers with any of them marked, circled or highlighted to indicate the PIN;
- (b) recording the PIN with surrounding information that makes it stand out from

its context. For instance, a PIN recorded as a 4 or 6 digit telephone number where all other numbers are 8 digits;

- (c) recording the PIN as a string of digits in isolation from other information; and
- (d) recording the PIN as a birth date, postcode or telephone number without additional features of disguise.

38. Loss, theft and unauthorised use of your access number, security token, password or PIN.

38.1 You must notify us immediately if:

- (a) any record you may have of your PIN or password is lost or stolen;
- (b) you become aware or suspect another person knows your PIN or password or has used your PIN or password without your authority;
- (c) you become aware or suspect another person knows your PIN or password or has used your PIN or password without your authority;
- (d) someone steals the security token from you;
- (e) you lose your security token.

38.2 Any unreasonable delay in notifying us may expose you to liability for losses incurred as a result of unauthorised access or transactions. Liability for unauthorised transactions is set out in clause 40 of section E: EFT Transactions.

38.3 If for any reason you cannot contact the hotline, then contact your local branch during normal business hours. You are not liable for any unauthorised transactions which could have been prevented during any period of unavailability of all these contact points as long as you notify us within a reasonable time of a contact point becoming available.

- 38.4 When you report the loss, theft or unauthorised use of your PIN or password, you will be given a notification number which you should retain as evidence of the date and time of your report.
- 38.5 You should confirm any verbal notification in writing or at one of our branches as soon as possible.

Section E: EFT transactions

This section applies to EFT transactions.

39. Liability for authorised transactions

- 39.1 You are responsible for all transactions carried out using an access number or PIN by you or by anyone else with your knowledge and consent.
- 39.2 If Bendigo Bank equipment or a Bendigo Bank system malfunctions after having accepted your instructions or fails to complete the transaction in accordance with your instructions resulting in loss to you of some or all of the amount of a transaction, we will correct that loss by making any necessary adjustments to your account, including an adjustment of any interest or fee. If you consider that you have incurred additional losses as a consequence of the malfunction you may make a claim for any such loss.
- 39.3 If you are aware or should have been aware that the Bendigo Bank equipment or Bendigo Bank system was unavailable for use or was malfunctioning then our responsibility will be limited to the correction of errors in your account and the refund of any fee imposed as a result.
- 39.4 We may withdraw electronic access to your account without prior notice to you in the event of any Bendigo Bank equipment or Bendigo Bank system malfunction.

40. Liability for unauthorised transactions

- 40.1 You will not be liable for losses arising out of:
- (a) unauthorised transactions where it is clear that you have not contributed to the loss;
 - (b) the fraudulent or negligent conduct of our employees or agents or companies involved in networking arrangements or of merchants who are linked to the EFT system or their agents or employees;
 - (c) any component of an access method that is forged, faulty, expired or cancelled;
 - (d) unauthorised transactions occurring after you have notified us as required by these terms and conditions that the security of a PIN or password has been breached;

Christmas Club Account and Facilities

- (e) transactions which require the use of a PIN or access number forming part of your access method and that occurred before you have received that PIN or access number (including a reissued or replacement PIN or access number);
- (f) the same transaction being incorrectly debited more than once to the same account.

40.2 You are liable where we can prove on the balance of probability that you have contributed to the losses in any of the following ways:

- (a) through your fraud;
- (b) by you voluntarily disclosing the PIN to anyone, including a family member or friend; or
- (c) by keeping a record of your access number and PIN (without making any reasonable attempt to protect the security of the records) on the one article, or on several articles so that they are liable to loss or theft simultaneously;
- (d) where we permit you to select or change a PIN, by selecting numbers which represent the user's birth date or letters which are a recognisable part of their names, if immediately before this was done we specifically warned you not to do so and that you might incur liability by doing so;
- (e) by acting with extreme carelessness in failing to protect the security of the PIN;
- (f) where the EFT Code requires that the recording or voluntary disclosure of one or more but not all of the codes forming part of the access method was the dominating contributing cause of the loss.

40.3 In these cases, you will be liable for the actual losses which happen before you notified us that the security of a PIN forming part of the access method has been breached, but you will not be liable for any of the following amounts:

- (a) that portion of the losses incurred on any one day which exceed the applicable daily withdrawal limits;
- (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period;

- (c) that portion of the total losses incurred on any account which exceeds the balance of that account (including any prearranged credit);
- (d) all losses incurred on any accounts which we and you had not agreed could be accessed using the access method;
- (e) any losses incurred as a result of conduct we expressly authorised you to engage in;
- (f) any losses incurred as a result of you disclosing, recording or storing a PIN in a way that is required or recommended for the purposes of using an account access service such as when you provide your codes to an aggregator service or store your codes in an electronic wallet on your computer which is expressly or impliedly promoted, endorsed or authorised by us.

40.4 Where we can prove on the balance of probability that you have contributed to the losses by unreasonably delaying notification after becoming aware that the security of all the codes forming part of the access method has been breached, you are liable for the actual losses which occur between when you became aware and when we were actually notified, but you are not liable for any of the following amounts:

- (a) that portion of the losses incurred on any one day which exceed any applicable daily withdrawal limits;
- (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period;
- (c) that portion of the total losses incurred on any account which exceeds the balance of that account;
- (d) all losses incurred on any accounts which you and we had not agreed could be accessed using the access method.

40.5 Where we cannot prove you were liable under clauses 40.2 or 40.4 and a PIN or access number was required to perform the unauthorised transaction, you will be liable for the least of:

- (a) \$150;
- (b) the balance of those accounts (including any prearranged credit) which you and we have agreed may be accessed using the access method;
- (c) the actual loss at the time we were notified (where relevant) that the security of the codes forming part of the access method has been breached (excluding that portion of the losses incurred on any one day which exceed any applicable daily withdrawal or other periodical withdrawal limits).

40.6 You authorise us to debit any amount for which you are liable under this clause 40 to your account.

Section F: BPAY®

41. About the BPAY® scheme

- 41.1 This section applies if you ask us to make a BPAY® payment on your behalf.
- 41.2 The BPAY® scheme is an electronic payments scheme through which you can ask us to make payments to billers who inform you that you can make BPAY® payments to them through the BPAY® scheme.
- 41.3 We are a member of the BPAY® scheme and we will inform you if we are no longer a member.
- 41.4 You can make BPAY® payments through the BPAY® scheme from a nominated account only if you have access to Bendigo Phone Banking or Bendigo e-banking.
- 41.5 We are not acting as your agent or the agent of the biller when we make a BPAY® payment on your behalf.

42. Using the BPAY® scheme

- 42.1 When you tell us to make a BPAY® payment, you must provide us with the following information:
 - (a) The account from which the BPAY® payment is to be debited;
 - (b) The BPAY® biller code of the biller to be paid;
 - (c) The amount of the BPAY® payment;
 - (d) The biller customer reference number.
- 42.2 You acknowledge and accept that we are not obliged to effect a BPAY® payment if you do not give to us all of the above information or give us inaccurate information.
- 42.3 We will then debit the account you specify with the amount of that BPAY® payment.
- 42.4 We may decide not to make the BPAY® payment if there are insufficient cleared funds in the specified account at the time you have told us to make that payment.

43. Payments

- 43.1 We may impose restrictions on the accounts from which a BPAY® payment may be made or impose limits on the amount of BPAY® payments.
- 43.2 We will not accept an instruction to stop a BPAY® payment once you have instructed us to make that BPAY® payment except for future dated payments which can be cancelled before the due payment date.

43.3 Billers who participate in the BPAY® scheme have agreed that a BPAY® payment you make will be treated as received by the biller to whom it is directed:

- (a) On the date that you make that BPAY® payment, if you tell us to make the BPAY® payment before our payment cut-off time on a business day (for payment cut-off times see clause 47 below);
- (b) On the next business day, if you tell us to make a BPAY® payment after our payment cut-off time on a business day or on a non-business day;
- (c) On the day or next business day you have nominated for a scheduled payment to take place.

43.4 A delay may occur in the processing of a BPAY® payment where:

- (a) There is a public or bank holiday on the day you tell us to make a BPAY® payment;
- (b) You tell us to make a BPAY® payment either on a day which is not a business day or after our payment cut-off time on a business day;
- (c) Another financial institution participating in the BPAY® scheme does not comply with its obligations under the BPAY® scheme;
- (d) A biller fails to comply with its obligations under the BPAY® scheme.

43.5 Although a delay in processing a BPAY® payment is not expected to continue for more than one business day, you acknowledge and accept that a delay may continue for a longer period.

44. If the amount of a payment to a biller is incorrect

You must ensure that the information in relation to each BPAY® payment is correct. If you discover that you have instructed us to make a payment to a biller for an incorrect amount:

- (a) If the amount you instructed us to pay is greater than the required amount, contact the biller for a refund; or
- (b) If the amount is less than the required amount, you should make a further BPAY® payment for the difference.

45. When a Biller cannot process a payment

If we are notified that your BPAY® payment cannot be processed by a biller, we will:

- (a) Notify you;
- (b) Credit your account for the amount of the BPAY® payment;
- (c) If you request, take all reasonable steps to assist you in making the BPAY® payment as quickly as possible.

46. Suspension of BPAY®

We may suspend your right to participate in the BPAY® scheme at any time if you are suspected of acting in a fraudulent manner.

47. Cut-off times

47.1 If you instruct us to make a BPAY® payment before the time specified below, it will in most cases be treated as having been made on the same day.

Cut-off times:

Monday to Friday: 5pm (Victorian time)

Saturday, Sunday and Public Holidays: Processed next business day.

47.2 BPAY® payments may take longer to be credited to a biller if you tell us to make a BPAY® payment on a Saturday, Sunday or public holiday or if the biller does not process a payment as soon as they receive its details.

48. Liability for mistaken payments, unauthorised transactions and fraud

48.1 You must notify us immediately:

- (a) If you become aware that you may have made a mistake (except in relation to the BPAY® payment amount - see clause 44) when instructing us to make a BPAY® payment;
- (b) If you did not authorise the BPAY® payment from your account;
- (c) If you believe the BPAY® payment was not processed in accordance with your instructions (including delays);
- (d) If you think you have been fraudulently induced to make a BPAY® payment.

- 48.2 We will attempt to rectify any such matters in relation to your BPAY® payment in the way described in this clause. If the EFT Code applies to your account and a BPAY® payment is made on your account without your knowledge or consent, liability for that unauthorised BPAY® payment will be determined in accordance with clause 40 in section E: EFT Transactions. Otherwise, except as set out in this clause 48, we will not be liable for any loss or damage you suffer as a result of using the BPAY® scheme.
- 48.3 If a BPAY® payment is made to a person or for an amount which is not in accordance with your instructions (if any), and your account has been debited with the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount within 20 business days of us attempting to do so from the person who received the amount of that payment, you must pay us that amount and you authorise us to debit that amount to your account.
- 48.4 If a BPAY® payment is made in accordance with a payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your account with the amount of that unauthorised payment. However, you must pay us the amount of that unauthorised payment, and you authorise us to debit that amount to your account, if:
- (a) we cannot recover that amount within 20 business days of us attempting to do so from the person who received it; and
 - (b) the payment was made as a result of a payment direction which did not comply with any requirements we may have for such payment directions.
- 48.5 If a BPAY® payment is induced by the fraud of a person involved in the BPAY® scheme, then that person should refund you the amount of the fraud induced payment. However, if that person does not refund you the amount of the fraud induced payment, you must bear that loss (and you authorise us to debit the amount of the payment to your account) unless some other person involved in the BPAY® scheme knew of the fraud or would have detected it with reasonable diligence, in which case we will attempt to obtain a refund for you of the fraud induced payment.
- 48.6 If a BPAY® payment you have made falls within the type described in clause 48.4 and also clause 48.3 or 48.5, then we will apply the principles set out in clause 48.4.
- If a BPAY® payment you have made falls within both the types described in clauses 48.3 and 48.5, then we will apply the principles set out in clause 48.5.
- 48.7 You indemnify us against any loss or damage we may suffer due to any claims, suits, demands or action of any kind brought against us arising directly or indirectly because you:
- (a) did not observe any of your obligations under these BPAY® conditions; or
 - (b) acted negligently or fraudulently in connection with the other terms and conditions of your account.
- 48.8 If you tell us that a BPAY® payment made from your account is unauthorised, you must first give us your written consent addressed to the biller who received that BPAY® payment, consenting to us obtaining from the biller information about your account with that biller or the BPAY® payment, including your customer reference number and such information as we reasonably require to investigate the BPAY® payment. We are not obliged to investigate or rectify any BPAY® payment if you do not give us this consent. If you do not give us that consent, the biller may not be permitted under law to disclose to us information we need to investigate or rectify that BPAY® payment.
- 48.9 To the full extent permitted by law we are not liable for any loss (including any consequential loss arising from our negligence) you suffer as a result of using the BPAY® scheme.

51. Security token

51.1 In order to access the BPAY View® service you will be required to use a security token. A security token and PIN is an additional security feature to prevent unauthorised access to your account. A fee will apply to this service. Loss or damage to your security token may incur a replacement fee. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates. If you have obtained a security token in connection with the Pay Anyone service, you can use the same security token for BPAY View®.

51.2 Your security token is used to authenticate BPAY View® and the delivery of your bills and bill information via Bendigo e-banking and involves the use of a PIN to generate authentication codes. You acknowledge and accept that in conjunction with your e-banking access ID and PIN:

- (a) the security token we issue you, together with your selected PIN, is the means by which you access BPAY View® ;
- (b) anyone using your security token and PIN will be able to have access to BPAY View® .

51.3 You authorise us to act upon all instructions given to us using your security token and PIN and subject to any other provision of these terms and conditions, you are liable for any such instructions.

- (d) do not select a PIN that is easily identified with you (eg. Your date of birth, your name or part of it or your phone number);
- (e) do not select a PIN that is a common or easily guessed combination (eg. repeated or consecutive numbers such as 5555 or 1234);
- (f) do not provide your PIN or security token to any person (including a family member or a friend);
- (g) do not allow any unauthorised person to observe or hear your PIN.

52.2 You must:

55. Collection and disclosure of personal information

55.1 You authorise us to disclose to the BPAY View® Billers nominated by you:

- (a) such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to enable BPAY View® Billers to verify that you can receive bills and statements electronically using BPAY View® (or telling them if you cease to do so); and

55.2 You authorise us or a nominated BPAY View® Biller (as appropriate) to collect data about whether you access your emails, Bendigo e-banking and any link to a bill or statement.

56. Notice of bills or statements

56.1 If you register for access to BPAY View®, you will receive bills and statements electronically and you agree that this satisfies the legal obligations (if any) of a BPAY View® Biller to give you bills and statements. For the purpose of this clause we act as the agent for each BPAY View® Biller nominated by you in providing the message or email, containing or linking to the bill or statement.

56.2 If you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:

- (a) when we receive confirmation that your server has received the email notification, whether or not you choose to access your email; and
